

TATTOOS AND PIERCINGS

Tattoo/Piercing Parlors in Wilmington

- Research your options ahead of time by visiting the parlor, talking to others with body art, & surfing the internet to make sure you're confident with your choice.
- The day of your appointment, bring a picture of the tattoo you want. or have one of the artists sketch you a picture from your description.
- Call or visit the parlor ahead of time to check prices. Piercings can usually be priced over the phone, but tattoos tend to require a visit to the parlor.
- After getting your tattoo or piercing, TAKE GOOD CARE OF IT! Your artist should give you instructions to help avoid possible infections & help your tat/piercing heal.
- BE PREPARED! Tattoos and piercings can be expensive and painful. Tattoos can take between six days to four weeks to heal. Piercings can take anywhere from four weeks to over a year to heal.
- Enjoy your tattoo or piercing—you may have it for the rest of your life!
