Dr. William D. Atwill

Associate Director, Honors Scholars Program, 1997-2002 and 200

“These experiences have been among the most stimulating and vital of my academic career…Over the years I’ve formed many friendships with faculty from various departments and they continue to inspire me, often to the point that I wish I had become a biologist, historian, psychologist, or forensic anthropologist. Too late for that, but as Associate Director of the Honors Program I was able to assist bright students in their intellectual journeys and to vicariously travel with them along their diverse academic paths. Short of living one’s live over, what could be better?”

Coach, UNCW Cross Country, 1979-1985
The Dr. William D. Atwill Honors Scholarship in Athletics

Created by the Friends of Dr. Atwill to honor his tireless, joyful, and inspiring commitment to enhancing the lives of scholar athletes and to express our profound gratitude for the roles he has played in the intellectual and athletic development of countless UNCW students.

The scholarship will be used to assist student athletes in the Cross Country, Track and Field program who are enrolled in the Honors Scholars College at UNCW.
