Why I'm Volunteering for Move-In 2019

Featuring Jeanna Cooper, Senior

My name is Jeanna Cooper and I'm a senior at UNCW. I have been helping with move-in for the past couple of years through my sorority. Being in a sorority has really gotten me into wanting to help with move-in. I ended up really loving it because I remember when I moved in freshmen year and we didn't have to pick up a thing and felt so invited by UNCW. I love giving back to the campus community and students and it's really one of the best days of the year.
