

Presenting

# Wills & Estate Planning

Services Available through the  
State Employees Credit Union

Do you have a will or does your will need to be updated? Having a will is often something we have planned to do, but we just haven't gotten around to getting it done. Have you thought about how your assets be distributed and who would be the guardian for your children should something happen to you? These are important questions for yourself and your family.

Please join us for a presentation from the State Employees Credit Union about the services they provide for help with wills and estate planning.

**Friday, February 24** from **12:15 - 1:00pm**

Presented by: State Employee Credit Union
