TIAA’s Director of Integrated Solutions, Ross Kirkman, will help you think through the impact of taxes now and later, including:

- **Location counts:** Your assets can be taxed now or later. The strategies can be complicated.
- **It’s personal:** Discuss which tax strategies might be best for you and your portfolio.

**Income diversification**

A diversified income plan can improve retirement outcomes. This presentation explores income diversification in retirement, and introduces how deploying a mixture of fixed and variable lifetime income can help address the unique risks in retirement while generating monthly payments you can’t outlive.
