Don’t Forget to Enroll!

**Open Enrollment ends November 19.** Take the time to review your enrollment materials and make your elections for benefits coverage in 2020.

**IMPORTANT REMINDERS**

1. **If you are enrolled for health coverage under the State Health Plan, you and your eligible dependents will be automatically enrolled in the 70/30 Plan for 2020.** If you want to enroll in the 80/20 Plan, you must actively enroll during Open Enrollment.

2. **If you want to reduce your premium under the 70/30 Plan or 80/20 Plan, you MUST complete the tobacco attestation by November 19, 2019.** If you attest you are a tobacco user and agree to visit a CVS MinuteClinic to satisfy your credit, you must fulfill that visit by December 31, 2019.

3. **The Flexible Spending Accounts (FSAs) require re-enrollment every year, so if you want to participate in either or both of the FSAs, you must make your election during Open Enrollment.**

4. **If you are currently enrolled in the High Option plan under the Dental Plan, you will be mapped to the new Classic Option plan.** The premium for the Classic Option plan is the same as what you are currently paying for coverage.
