The National Survey of Student Engagement (NSSE) surveys undergraduate students in their first and final years to assess their levels of engagement and related information about their experience at UNCW. The survey focuses on engagement indicators, high-impact practices, and institutional satisfaction.

**ADMINISTRATION DETAILS**

NSSE captures multiple dimensions of student engagement through 10 Engagement Indicators and also reports on six High-Impact Practices (HIPs): Learning Community, Service-learning, Research with Faculty, Internship/Field Experience, Study Abroad, and Culminating Senior Experience. NSSE is administered biennially in the Spring (March-May) and results are released in the Fall (August-November).

47 core items across four themes:
- Academic Challenge
- Learning with Peers
- Experiences with Faculty
- Campus Environment

Accessible for visually or hearing impaired
- Self-reported demographics (including sexual orientation)
- Survey & Reporting Customization

NSSE offers several customization options including open-ended comment prompts, System level comparison data, report customization, and adding up to two topical modules (themed sets of questions) which include Academic Advising, Civic Engagement, Development of Transferable Skills, Experiences with Information Literacy, Experiences with Writing, First-Year Experiences and Senior Transitions, Global Learning, Inclusiveness & Engagement with Diversity, and Learning with Technology.
