

# UNCW MARINEQUEST TRAVELING THROUGH TRASH

NOAA MARINE DEBRIS PREVENTION THROUGH EDUCATION

## PLASTIC YOGURT AND FOOD CUPS

INSTEAD OF USING PLASTIC DISPOSABLE YOGURT  
CUPS, MAKE YOUR OWN YOGURT AT HOME

### VIDEO

Scrimshaw is the name given to carvings done in the bones and teeth of whales. This practice began on whaling ships and was continued until commercial whaling was banned. Now, researchers are making scrimshaw carvings with melted plastic
