The following steps will guide you through the steps of placing your YouTube video link into Blackboard.

1. Sign into your YouTube account at [youtube.com](https://youtube.com).

2. Click on your profile, in the upper right hand corner.

3. Click on the **Creator Studio** button.

4. Click on **VIDEO MANAGER**.

5. Click on the video you want to upload.

6. Click on Share
Adding YouTube Video Link in Blackboard

7. Copy the URL. You can also set the starting point.

8. Log into your Blackboard Learn Course.

9. Open the item, page or folder where you want the video to be placed and click on the film icon.

10. Paste in your URL.

11. Click Insert. Then Submit.

* In order to comply with the Americans with Disabilities Act (ADA) Standards set forth by the U.S. Department of Justice in 2010, videos must include closed captioning or have an accompanying text-based script.
