

Upload of courses for UNC Online

Once classes are loaded in Banner for a term, academic departments can add a special attribute assigned on **SSADETL** on the **Degree Program Attributes** tab [**IIC**]. There is no further approval needed. If there are questions regarding UNC Online designation, please contact the Registrar. See example course below.

Screenshot of the Banner system interface showing the 'Degree Program Attributes' tab for course GER 101. The interface includes a header with course details: Term: 201110, CRN: 16928, Subject: GER, Course: 101, Title: Introductory German I. Below the header are four tabs: Section Links and Corequisites, Section Fees, Degree Program Attributes (selected), and Contract and Block Schedule Information. The 'Degree Program Attributes' section contains a table with columns 'Attribute' and 'Description'. The table lists two attributes: 'BLLF' (For Lang BasStdy current catlg) and 'IIC' (Avail thru UNC Online IIC).

Attribute	Description
BLLF	For Lang BasStdy current catlg
IIC	Avail thru UNC Online IIC

Once the attribute has been added to the specified courses, the course should be visible and searchable through UNCW Online. *The attribute may not be picked up right away. It could take a day to appear within UNC Online.*

UNC Online (<http://online.northcarolina.edu>)

Students will be able to discover your course in a search of UNC Wilmington offerings.

Screenshot of the UNC Online website search page. The page features a search bar with fields for Keywords, Term, Campus, Subject, and Delivery. Below the search bar are buttons for 'CLEAR FILTERS' and 'SEARCH'. The main content area displays the text: 'UNC Online lets you register for online courses across the UNC system.' followed by instructions: 'In order to register for a UNC Online course, you must first enroll at one of our 16 campuses. If you are not currently enrolled as a student, you may enroll as a visiting student. Learn more and apply as a visiting student.' Below this text is a grid of 16 university logos: Appalachian, East Carolina, ECSU, Fayetteville State University, North Carolina Central University, NC State University, University of North Carolina Asheville, UNC Charlotte, Greensboro, UNC Chapel Hill, UNCW, UNC School of the Arts, and Western Carolina University. The footer includes '© University of North Carolina | Privacy Policy'.
