

Faculty & Staff Campus Dining Club

Payroll Deduction—Bring the completed form to the One Card Office or send by interoffice mail, fax, or email. (The Payroll deduction option is only available for UNCW faculty and staff members. Temporary employees do not qualify for payroll deduction. If you have a current payroll deduction for a previously purchased meal plan, you may not sign up for an additional meal plan, using payroll deduction, until it is satisfied—you may use cash, credit card, or check to pay for the additional meal plan purchase.)

Paying by Cash, Check, or Credit Card—Bring the completed form to the One Card Office in Warwick Center.

Introducing four great ways for faculty and staff to save money and enjoy the convenience of eating on campus. The Dining Club options offer significant savings and can be purchased by any UNCW faculty or staff member (full-time or part-time) and UNCW on-campus partners (Barnes & Noble, Defender, etc.).

All faculty/staff meal plans have no expiration date and can be used to bring a friend to any meal. Meal swipes can be used at Wagoner Hall or Dub's Café in the Warwick Center. Food Dollars can be used at any dining location on campus. **Meal Swipes will be taxed at the time of the Meal Plan purchase and Food Dollars will be taxed as they are used. All meal plans are non-refundable.**
