

Kuder Journey Assessment

What is the Kuder Journey?

The Kuder Journey is an assessment that helps students reflect on their interests, skills, and work values. It provides career and education options and prepares students for the job search process. This is a great tool to use if a student wants to explore academic major or minor options or as they begin to look at careers once they graduate from UNCW.

Who can take the Kuder Journey?

Any UNCW student- freshmen through senior, first-year students and transfer students! The assessment is great for everyone.

How much does it cost?

It is **FREE** for UNCW students! The Career Center and University College have shared the cost of the assessment so UNCW students can take it at no cost.

How does a student take it?

To register to take the assessment, students will sign up through SeaWork on the UNCW Career Center website (<http://uncw.edu/career/SeaWork.html>). An email will be sent to the student to take the assessment. Results can be reviewed by the Career Center!
