PERMIT APPLICATION INSTRUCTIONS

- Make sure the area you will apply the permit is clean and dry.
- Begin by getting a corner of the permit started with a fingernail.
- Peel the permit around the outer edge in a circular fashion. Continue until the decal is completely detached from the back.

**Application to Vehicle**
Place the decal on the outside bottom left rear windshield or left rear bumper.

**Application to Motorcycle or Moped**
Permits on motorcycles and mopeds must be affixed to the fork or displayed in a lockable hanger, in a place that does not interfere with vehicle operation.

**Multi-Vehicle Hanger Permits**
Multi-vehicle hang style permits must be hung from the rear-view mirror. If you do not have a rear-view mirror, the permit should be placed on the dashboard on the driver’s side.

---

NOTICE TO STUDENTS

UNCW assumes no responsibility for loss or damage to the vehicle or its contents. Cars are parked at the owner’s risk.

Occasionally, the UNCW campus hosts events that require special parking needs. While providing parking for students is our priority, these events occasionally require us to have to temporarily move students to other nearby parking areas. While this is a rare occurrence, parking will continue to be available. When this happens, you will be notified in advance by email and other means.

Please contact the Parking and Transportation Office with any questions.
