**RESULTS OF THE THESIS PROSPECTUS DEFENSE**

This certifies that \_\_\_\_\_ [850 \_\_\_\_\_]

completed the thesis prospectus defense on \_\_\_\_\_(date).

The grade on the defense was (Check one) \_\_\_\_\_Pass \_\_\_\_\_Fail

Should the grade assigned be "Fail," what does the committee recommend relative to a second defense?

We recommend that:

\_\_\_\_\_ A new defense be presented on or about \_\_\_\_\_ (date).  
You may recommend a time line for a presentation of a new defense. Until the thesis prospectus defense is approved, the student should be assigned a grade of "incomplete" for Psy 580.

\_\_\_\_\_ The student be dropped from the MA program.

I concur with the actions indicated above:
