Video Tutorials

The Office of the Registrar is proud to announce that there are now multiple video tutorials and quizzes available, for both students and employees, on various registrar-specific processes. These presentations are available in **Skillport** and are great learning tools that will help all parties understand important policies and procedures. To access the videos, login to Skillport and search for the following courses:

- 1) **REG100**—FERPA Awareness for Student Workers
- 2) **REG110**—All About Degree Audits
- 3) **REG120**—All About Transcripts

**Stay tuned for a special Registrar Certification program in the near future...*

Registrar YouTube Station

The Office of the Registrar has also made these video tutorials available, via YouTube, to ensure parents and future students are able to educate themselves on the policies that play an important role in their future successes. These videos can be found by searching for the channel named:
