### Thank You!

A special thank you to four of our team members who have been instrumental in rolling out the new degree audit system, Degree Works. **Teresa, Albie, Jill, and Freeman** have devoted all of this spring and all summer to this rollout, without sacrificing their other responsibilities. It has been an enormous amount of work in an aggressively short period of time. There is still work to finish before our planned rollout in August, but we want you to know how much these folks have invested in its success.

Sincerely, Jon
