Fall 2011 Registrar Open Forum and Open House –Thurs. Oct 6th 2011

As we do each term, we will offer an open forum on Thursday, October 6, 2011, in the James Hall Auditorium. We hope you can join us that afternoon to learn about new developments in the office, to ask us questions, and give us feedback on our services. Our format will be somewhat different for this upcoming forum. We will have just one afternoon rather than two, as in the past.

Also, we want to invite you to visit the office for an open house at 2:30 before the forum begins at 3:30pm.

This will give you a chance to meet the faces behind the emails and to see our office setting. We will have some light refreshments for you. An agenda and invitation will go out by email soon.

Interactive Degree Audit LIVE Sept. 6th!

Seahawks get ready - the latest version of the Degree Audit will go interactive this semester!

While the data and text of the audit remains the same as the current audit, the Interactive Audit adds the appeal of pie and bar charts that can be clicked on or hovered over, for more information.

This GUI interaction shows the progress towards the degree more clearly. We hope that students, staff, and faculty find it more beneficial and user-friendly.

If you have any questions, please email Teresa Rodgers at rodergst@uncw.edu

Thanks to All Faculty Who Turned in Summer Grades on Time!

Out of 10,229 summer grades, **98.3%** were entered by the grading deadlines for summer I and II.
