## Fall 2011 Registrar's Office Open House and Forum Thurs. Oct 6th 2:30pm-4:30pm

Please remember that we will host an open forum on Thursday, October 6, 2011, in the James Hall Auditorium.

We hope you can join us that afternoon to learn about new developments in the office, to ask us questions, and give us feedback on our services. Our format will be somewhat different for this upcoming forum. We will have just one afternoon rather than two as in the past.

We also want to invite you to visit the office for an open house at 2:30 before the forum begins at 3:30pm.

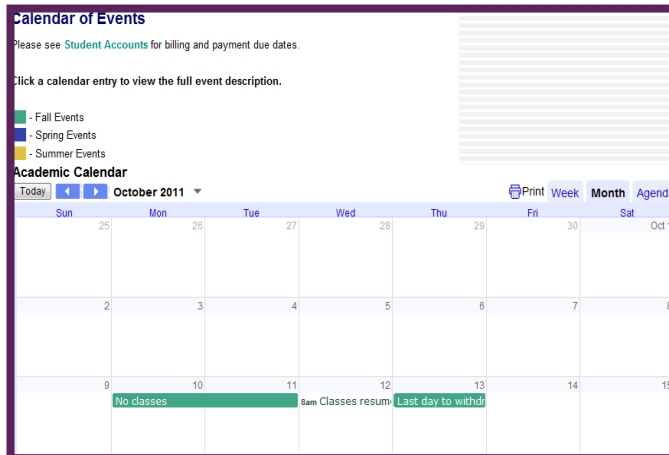

This will give you a chance to meet the faces behind the emails and to see our office setting.

We will have some light refreshments for you. An agenda and invitation will go out by email soon.

### New Calendar Of Events

We've switched to an easier-to-read format that will display fall, spring, and summer events on one printable calendar.

Events are color-coded by term and you can click on an event to view the full description.
