Optimized Academic Scheduling - Starting in Fall 2018

The Office of the Registrar is making great progress during this process. Consultants from EMS (the company currently servicing UNCW's event management software) will be coming to campus in June to provide hands on training. In addition to the training, we are planning to meet with schedule builders.

Do you have an upcoming deadline or event you would like us to pass on? Email Melissa Duffield at duffieldm@uncw.edu with newsletter ideas no later than the 15th of each month.

Curricular Changes

Curricular changes for Fall 2017 are being updated; however, they are not yet 100% completed in SeaNet or the degree audits.

Thanks for your patience while we wade through over 500 curricular forms.

Degree Works Refresh Button

On May 1, ITSD added the Banner refresh button to the degree audits for advisors. It is a two-step process: Once the changes have been made, click the refresh button, then "process new." If there are any questions, please contact Teresa White whitet@uncw.edu

Welcome!!!

The Office of the Registrar is pleased to announce THREE additions to our team.

Kay Blocksidge came to us in September of 2016 as a Temp in order to assist in the Transfer Articulation process. She moved into one of the Front Counter Liaison & Records Specialist positions in March.

Emily Calder may not be a familiar face on campus, but her voice may be. Emily spent 2.5 years in dispatch at UNCW before joining us in April. We are excited to add Emily as another Front Counter Liaison & Records Specialist.

Finally, Kelley Griffin made the short trek from the Admissions Office to join our Online Accelerated Program Team. She joined us May 22 and has been with UNCW and Admissions since September 2006.

Online Accelerated Program (OAP) Dates , Deadlines, And News

Residency Determination Service

The new Residency Determination Service for all public and private colleges and universities in North Carolina is now up and running. Right now, only undergraduate students are having decisions made through RDS. Our office is receiving numerous automated updates every morning for decisions from RDS. We are hearing from some students who expect that their status has been updated at UNCW only to find it has not occurred yet. Cases we have seen of this result from either the automated update having not occurred yet or that the student received a "preliminary in-state" decision that still needs to be "validated" by RDS. Our office can trigger a manual update if you send us the ID number to registrar@uncw.edu. If the student's decision is not validated, the student should contact RDS directly.
