Degree Audit Solution Demonstration

Tuesday June 17th 2:30pm-4:30pm

Cameron Auditorium Rm 105

Note: Change of Location

DegreeWorks is another degree audit vendor solution. If you're available, the Office of the Registrar would like for you to attend this demonstration. We want to ensure that UNCW has the best tools available for students and advisors, the end users.

We encourage questions and feedback.

This could demonstrate a need to evolve or it could renew trust in our current solution.

This is only a demonstration with the opportunity to ask questions.

Ellucian (a.k.a. Banner) will be leading the demonstration.

-Demo will be videotaped, if you are unable to attend-

UNCW's current degree audit solution: u.achieve by CollegeSource.
