The Office of the Registrar
Front Counter Summer Hours:
Monday through Thursday 8am-4:30pm
Friday 8am-11:30am
May 14th-Aug 10th

A big 'THANK YOU' to our faculty:

Out of 54,812 gradable enrollments, 54,631 were turned in on time!

A rate of 99.7%, with only 181 grades entered as 'NR'.

A very high percentage within recent years!

All of you grade reporting activity can be done online.

In addition to posting final grades in mySeaport/SeaNet, you can also assign incompletes, convert incompletes, and change grades online. Online grade activity is "greener," but it also cuts the turnaround time for the new grade to appear on your student's transcript. Presently about 45% of instructor-initiated grade changes are done online. The online grade activity applications are available in Academics / Faculty Services on mySeaport and SeaNet.

Please use these online services and send us your feedback.

*A Reminder
to Faculty...*

UNCW Welcomes Fran Akers to the Office of the Registrar Team!

Fran comes to us from Starkville, Mississippi where she attended Mississippi State University and later worked as a Human Resources Records Analyst. She graduated from MSU with a Business Administration Degree in 2010. She has joined our team as a Front Counter Liaison at the Office of the Registrar. We are very excited to have her on board!

Welcome Fran!
