## Grades are due for Fall 2011 by 2:00pm on Tues. Dec 19th

If you expect you will be unable to submit grades by the deadline, please send an email  
to Chris Wrede to be coded for extended grading. Be sure to include the CRN of the  
course (s) and copy your department chair and academic dean for approval.

### A 'Z' grade? What's that?

The 'Z' in the grades list in SeaNet is used to indicate a violation  
of the Academic Honor Code. Periodically, a list of these grades are  
sent to the Dean of Students Office for follow-up.

### **NEW POLICY**

### **Curriculum Changes**

### **NEW POLICY**

Effective spring 2012, the University has adopted a policy to suspend curriculum changes during key advising  
points in the semester. This applies to changes/additions of catalog year, major, minor, and/or  
concentrations. No opportunities for change will be allowed during the time periods listed below.

The dates for suspending these changes are:

Spring – March 1st through the 10th day of pre-registration in April  
Fall – October 1st through the 10th day of pre-registration in November

**For Spring 2012, this will be March 1st, 2012 thru April 23rd, 2012**

This policy changed to allow your advisors to adequately prepare for advising you under your current  
curriculum. Please discuss possible changes with your advisor prior to these dates.
