

## **SLC FICTION CONTRACT**

Throughout your time in nursing school, you will interact with several different manikins and/or patient actors depending on the specific scenario.

We as instructors will do all we can to make the simulation as real as possible.

Simulation fosters active engagement in a safe learning environment. Your role is to “enter into the spirit” of the simulation, engaging with the “patient,” “family” and other members of your healthcare team as if the situation were real. This will provide you with the best active learning opportunity possible.

Remember confidentiality: What happens in simulation stays in simulation. You should come to simulation with a non-judgmental attitude and be open to learning from your patients, peers and faculty.

My signature indicates agreement of the Fiction Contract and my commitment to abide by polices and expectations of the SLC.
