During the May and June Staff Senate meetings a variety of information was shared by the guest speakers listed above. We thank all of them for attending our meetings and encourage you to review highlights of the meetings below.

- Campus leadership continues to consider plans for a safe return to campus for employees, including masks, cleaning procedures, and guidance for employees who work within close distance to others.
- ITS is providing Security Awareness Training to all faculty and staff to assist employees with how to stay secure while working from home. The training is available here. You can also contact itsecurity@uncw.edu to find additional trainings for your whole team’s security needs.
- Multi-Factor Authentication (MFA) is now live and available to all faculty, staff, and students. MFA provides an extra layer of protection to your UNCW account by verifying your identity through a second method or factor when granting access to university resources. While enrolling your account is optional, it can help you eliminate 99.9% of the risks facing your account and help protect the campus. To find out more and enroll, visit the ITS website.
- Randall Library is offering contactless pick-up of items in the library’s physical collection for students, faculty, and staff. You can also learn more about the library’s online services and resources on the Remote Library Services website.
- Environmental Health and Safety’s Office of Emergency Management is preparing for hurricane season, which began on June 1st. Emergency Management is considering adaptations to UNCW’s typical response plan for emergencies to account for coronavirus safety recommendations. Remember to sign up for UNCWAlert to receive text messages with urgent university emergency information.

UNCW Employee Assistance Program

ComPsych, UNCW’s Employee Assistance Program (EAP), has put together a digital toolkit to help keep employees informed about the coronavirus, as well as offer guidance on how to remain healthy and deal with the emotional impacts of the outbreak.

The Employee Leadership, Learning & Engagement team created a COVID-19 resources page under Healthy Hawks Workplace - check it out for links and resources to help all dimensions of well-being during this time.

The next Staff Senate meeting is scheduled for Wednesday, July 8, 2020. A Zoom link for this meeting will be shared via email.

Please submit your suggestions to the UNCW Staff Senate.

Next Meeting

The Staff Senate Scholarship Winners

The Staff Senate wishes to congratulate the following seven awardees of the Staff Senate Scholarship for the 2020-2021 academic year:

Daniel Sanchez
Office of Scholarships and Financial Aid

Jessica Rivenbark
Wilson College of Education

Lily Pazzulo-Frank
