MARCH 2020

MEETING SNAPSHOT

Coronavirus Updates

As UNCW continues to closely monitor the new coronavirus (COVID-19) situation, we hope this email finds you and your family safe and well. In an effort to educate SHRA and EHRA non-faculty employees on COVID-19 updates, the Staff Senate hosted a forum on Wednesday, March 11, 2020 in Lumina Theater. You can view a recording of the forum, but please know that some of this information may be out of date at this time. We ask all employees to monitor the UNCW Coronavirus website for the most current information. Other useful sources of information about the virus are the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO). Thank you to all campus representatives who participated in the forum and who continue to work to provide campus with important updates.

Staff Senate Updates

During the most recent Staff Senate meeting, held on Wednesday, March 11th, Senators participated in a Staff Priorities Survey Workshop. Working in small groups, Senators brainstormed action items for the Senate to complete and focus on in the coming months. Senators will vote on action items at a future time.

D2LA Gone Virtual

As the spread of the novel coronavirus (COVID-19) continues to impact our campus, HR's Employee Leadership, Learning and Engagement (ELLE) team has developed D2LA Gone Virtual - a collection of opportunities and resources to support employee growth, learning, and well-being in a virtual environment. From live webinars and online training to self-directed learning that can be completed at your own pace, the goal is to help YOU find ways to make telecommuting a time for well-being and skill development. The website for D2LA Gone Virtual is coming, and you will learn more next week from the ELLE team.

Staff Senate Forum Survey

The Staff Senate recently held a forum on the coronavirus and hosted a forum last fall for staff to hear from UNC System Office leadership on human resources issues. Do you feel campus forums are a beneficial way for staff to receive important information and have their voices heard? Please take our survey to provide your feedback!

RecycleMania

Beginning on February 28, 2020, UNCW was participating in RecycleMania, an 8-week recycling competition. As of week four, UNCW was holding the #1 spot in the CAA and the #2 spot in our state. Please note that drop offs for recycling are currently cancelled, but thank you to all who have already participated and be sure to check the UNCW RecycleMania website for updates!
