Update from Jennifer Coombs

Here are some of the updates shared:

- SHRA and EHRA non-faculty voices on campus. The SHRA is an advisory board to the Chancellor to represent all non-faculty employees.

- There were also discussions regarding a Washington, D.C. internship program, especially for the students in the School of Business.
- There was a discussion regarding the proposed conference budget that reflects the priorities of both House and Senate. The governor submitted a counteroffer that was not approved, but is working with the House and Senate to reach a compromise.
- Enrollment strategy approaches we’ve taken regarding Campus Safety: adequate PPE/clothes supply, staff, assistance with testing access,变态 tendency, modality shifts, etc. Keep an eye on our OURL Announcements and Budget Line for regular updates.
- House and Senate leadership level on the proposed conference budget. The city and county are partnering to do a series of events commemorating the 123rd anniversary of the 1898 Massacre. Events will be held around the county November 1–10.
