Per Credit Hour	In-State Tuition	Out of State Tuition	Ed & Tech Fees	Security Fees	In-State Total	Out of State Total

Please Note: EXT Classes are billed per credit hour. Classes are typically 3 credit hours each, but may vary.

Tuition and fees are charged according to the designation of the course (main campus or extension) and not student classification. When using the SEANET registration system, please keep in mind that Extension courses are courses with section numbers 800 or higher and a campus of "EXT." Only these sections of courses are billed at the Extension tuition rates which are calculated on a per credit hour basis. All other section numbers are considered on-campus courses and are billed as such. Tuition and fee rates for both on campus and Extension courses are listed above. Ultimately it is the student's responsibility to know the different tuition rates.

NOTE: For Distance Education/Extension courses that require proctored exams, there may be additional fees for the verification of student identity. Students may also be required to find an independent testing facility for these exams. Contact the course instructor for more information.
