### Refunds

In preparation for issuing the Financial Aid refunds on the first day of class, the Student Accounts Office begins posting refunds to student accounts 10 days before classes start. Students will need to establish an E-refund account on the [E-bill](#) site to receive any excess funds from loans, overpayments, scholarships and grant monies. Set up your E-refund account today to avoid future delays due to paper check processing. Federal financial aid awards can only be applied to current year allowable institutional charges; tuition, mandatory student fees, room and board. Be sure to complete the [Title IV authorization form](#) authorizing Student Accounts to apply Federal financial aid to non-institutional charges and/or apply current year financial aid to prior year charges up to $200.

**International Student Payments**

The most efficient means for a student using an international bank account to pay student fees is through Travelex’s Bank to Bank Transfer. This option allows you to pay the U.S. dollar charges in the currency of your choice and provides you with a simple and secure way of initiating a payment electronically. Please view our [website](#) for more information and a direct link to Travelex.
