Tuition Refunds are not available for Summer classes after the drop/add date.

Tuition and fees are charged according to the designation of the course (main campus or extension) and not student classification. When using the SEANET registration system, please keep in mind that Extension courses are courses with section numbers 800 or higher and a campus of "EXT." Only these sections of courses are billed at the Extension tuition rates which are calculated on a per credit hour basis. All other section numbers are considered on-campus courses and are billed as such. Tuition and fee rates for both on campus and Extension courses are listed above. Ultimately it is the student's responsibility to know the different tuition rates.
