

It's your program. We just make it happen.

Service: Your FTI Team Makes Your Job Easier

FTI is a full-service travel provider, so we can help you from start to finish to reduce your workload & keep costs low. We'll take the time to listen to your goals & partner with you to design the perfect trip. We'll even help brainstorm those unique little touches that will make your program memorable.

One-Stop Shop: Saves Time, Money & Sanity

Why chase down multiple vendors? We have partnerships around the globe, so we can arrange flights, accommodations, tours & more. But, if you want us to work with your preferred vendors, we can do that too.

Plus, package pricing enables you to:

- Reduce your costs
- Prepay services
- Eliminate loose ends
- Increase time to promote trips
- Offer students a more accurate trip cost from the start
- Keep things simple – Work with & pay only one vendor

Tours: Unique Itineraries Make Your Programs Stand Out

We'll help you create unique itineraries that align with your program's goals, including:

- Lectures, meetings with local professionals in your field
- City tours
- Hands-on experiences

Service Learning: Students Excel with Hands-on Experience

Enhance your program by adding a volunteer project of any length or create an entire service learning trip. Students can gain valuable experience & benefit from humanitarian flight discounts whenever a volunteer component is added to a trip.

Flights: Goup Bookings Provide Flexibility & Cost Savings

Take advantage of the special student, humanitarian & non-profit contracts we hold with more than 30 international carriers.

Groups of 10+ benefit from:

- Reduced costs/economy of scale
- Flexible deposit schedules
- Traveling together means safety in numbers
- More recruiting time – low base fares can be locked in 11 months in advance without final names

Security: 24-Hour Emergency Service Gives Peace of Mind

With our 24-hour emergency help line, one of FTI's managers is available 24/7 to assist with travel emergencies while you're abroad. Our fully-vetted ground operators offer this service as well. Additional security resources are also available through our website:

- The State Department's STEP program
- The CDC's immunization recommendations
- Travel Guard's travel insurance
- International cell phones & more
