# Declaring a Major

University College

## Are You Ready to Declare Your Major?

### Things to consider before you declare:

- You must have earned 24 credit hours at UNCW.
- You must be in good academic standing, with a minimum GPA of 2.0.
- Many majors have several options. You must determine the degree type (Bachelor of Arts vs. Bachelor of Science) and the concentration you wish to pursue.
- Some majors have additional requirements prior to declaration, such as an application and/or prerequisite courses. These majors include, but are not limited to athletic training, communication studies, exercise science, film studies, and music.
- Questions? Contact your advisor.

### To ensure your major declaration process goes smoothly, it is important to follow these steps:

1. **Determine your career goals and aspirations.**
2. **Research, prepare for and decide on your major(s).**
3. **Declare and transition into your chosen major(s).**

## Declare Your Major Online!

1. Meet with your advisor.
2. Log onto MySeaport.
3. Click on the Academics Tab at the top of the screen.
4. Select the “Major Declaration/Curricular Updates” link, located under the Student Services menu on the left-side of the screen.
5. Read and follow all instructions carefully.
6. Click on “Understanding Majors & Degrees” if you have questions.
7. Make your selections in the drop-down menus.
8. Click “Declare Major” then “Save Changes” to finalize your request.

Note: You will be informed via your UNCW email about the progress of your declaration.
