OUR TEAM IS YOUR TEAM.

OUR (the Office of University Relations) serves as UNCW's hub for internal/external communications and marketing. OUR is committed to enhancing UNCW's brand awareness through engaging messaging, dynamic print and digital collateral, and vibrant video production and photography. OUR collaborates with faculty, staff, students, the community and the media to promote key university initiatives, research and achievements.

CREATIVE SERVICES

This unit is responsible for the concept, design and execution of marketing/promotional collateral for internal and external audiences, including design, graphics, specialized website graphics and brand identity. This includes the creation or approval of materials that market the university to a mass audience, including conferences on campus or co-sponsored with community organizations, advertising and promotional posters.

COMMUNICATIONS

This unit is responsible for internal and external communications including SWOOP, emergency communications, website news and messaging, event and new initiative promotion, media relations, *UNCW Magazine*, advertising messages and brand management. This unit also supports content development and/or editorial review of print and digital collateral for other campus divisions.

MEDIA PRODUCTION

This unit highlights the academic and institutional achievements of the university via video production, still photography and multimedia campaigns. Projects are prioritized based on overarching university goals and include promotional videos, on-campus digital messaging, the broadcasting of events like commencement and other vehicles as applicable. This unit is also responsible for headshots; visit uncw.edu/our/photography to schedule.

WEB COMMUNICATIONS

This unit is responsible for general oversight and organization of content for the university website, and for maintaining standards of style and compliance throughout its pages. The web team also manages the university's social media channels and coordinates with campus social media and web content contributors to support effective development of content and messaging.
