Dorm Room Dos and Don’ts
You asked, and we answered. No televisions or microwaves in your dorm room. Yes, to one mini-fridge per room. You can also have a fan.

Don’t Forget Your Original Copies of Forms
Students enrolled in Fit for Research will not be allowed to participate in specific field-based activities that require original signatures unless we have those forms. For planning purposes, we ask that you go ahead and complete the forms ASAP, email us a copy now, and bring the originals with you to UNCW on June 30th.

The “Key” to Success
At check-in, you will each receive a dorm room key. It is imperative that you do not lose it, or you will have to pay a $50 fee. You will also be provided with a lanyard that has an ID card holder as well as key ring. This is the best place to keep your dorm room key. Your ID card will get you into the dorm and rec center and also allow you to use the campus library.

When a third grader was asked to cite Newton’s first law, she said, “Bodies in motion remain in motion, and bodies at rest stay in bed unless their counselor’s wake them up.” Don’t forget to bring an alarm clock. Classes start at 8:30 am sharp. Tardiness won’t be tolerated!
